

Plymasters

Building Product Information Sheet

Designated building product: Class 1

Product

| | |
|------|-----------|
| Name | Bendy Ply |
|------|-----------|

Description

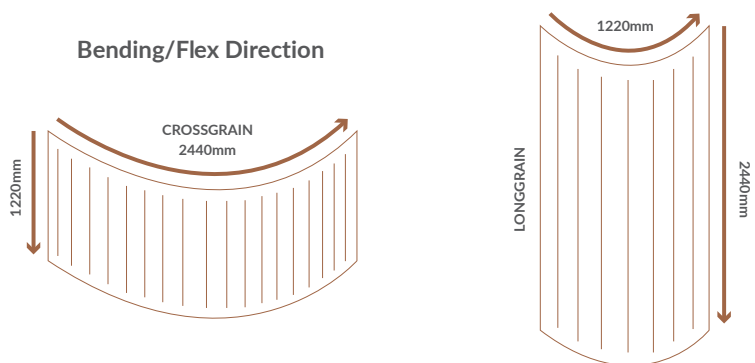

A flexible structural Ceiba plywood, laminated either cross or long grain. With this ply your desired curved project can be successfully completed. Flexibility is achieved through the open grained texture allowing the veneer layer on the outer curve to expand and the inner curve to compress.

Technical Specs

| | |
|---------------------|-----------------------------------------------------------------------|
| Available Sizes | 2440 x 1220 |
| Available Thickness | 3mm,4mm,6mm,8mm,9mm |
| Colour | Neutral colour, not for clear finish |
| Material | Ceiba, A Grade sustainable Forest Management / BV - DDS - 000001 - IN |
| Formaldehyde | E0 JIS Low Formaldehyde |
| Certification | CE Certified, EN 13986:2004 & EN636 |
| Origin | India |
| Weight | 4.2kg, 6.4kg, 9.7kg |

Uses

- Reception counters
- Auto-Interiors
- Wall linings
- Forming Architectural features

Limitations of Use

Not for exposed external use. Not for use in fire surrounding applications. Not to be used in areas directly exposed to water.

Handling & Application/ Plywood is a natural product that can be affected by changes in weather conditions: moisture and temperature. Increased moisture content or temperature variation may cause internal stresses causing previously flat sheets to bow. At Plymasters, precautions are taken to minimize this effect. However, once the plywood has left our warehouse we cannot guarantee sheets to remain flat unless fastened. This is particularly important where free standing kitchen/cabinet doors are concerned. Stack on a firm raised base with enough support to prevent sagging. Cover the pallet to protect the top and edges.

Importing Details

| | |
|---------------------------------------------|------------------------------------------------------|
| Place of Manufacture | Overseas |
| Legal/ Trading Name of the Manufacturer | Peri (Ceiba Bending Ply only). |
| Legal/ Trading Name of the Importer | Plymasters Limited Partnership trading as Plymasters |
| Address of Importer | 281 Heads Road, Castlecliff, Whanganui 4501 |
| Importer Website | Plymasters.co.nz |
| Importer Email | sales@plymasters.co.nz |
| Importer Phone Number | 0800 344 112 |
| Importer New Zealand Business Number (NZBN) | 9429047708815 |

NZ Manufacture Details

| | |
|-------------------------------------------------|---------------------------------------------------------------|
| Place of Manufacture | New Zealand |
| Legal/ Trading Name of the Manufacturer | BBI HOLDINGS LIMITED |
| Address of Manufacturer | 27 Poporo Way, Hastings 4175 |
| Manufacturer Website | https://www.bbi.net.nz/ |
| Manufacturer Email | sales@bbi.net.nz |
| Manufacturer Phone Number | 06 871 5520 |
| Manufacturer New Zealand Business Number (NZBN) | 9429030927902 |

Contributions to Compliance

- B2 Durability B2.3.1 (c)
- F2 Hazardous Building Materials F2.3.1
- B2/AS1 table 1
- Class 1 - Dry Conditions [EN636-1]
