

Pre-finished Gaboon^{Spec Sheet}

Clear UV Pre-finished Gaboon

Plymasters Marine Grade Gaboon has excellent edge detail with a beautiful grain pattern. Lighter weight than other hardwoods, gaboon is very popular in joinery and linings.

Plymasters Matte Clear UV Pre-finished Gaboon is roll coated meaning minimal waste with no overspray or excess product. The clear coating is added to our BB/CC Marine Gaboon. Gloss and Satin clear finishes are available on request.
