H4019-BK			Black		
H4019-CH			Charcoal		
H4019-BLU			Blue		
H4019-SG			Slate Grey		

Colour	White, Black, Charcoal, Blue, and Slate Grey
Finish	Senosan, Smooth Matte (Anti-fingerprint & Stain-resistant)
Core	European Birch BB multiply core, WBP EN34-2 Class 3
Origin	Austria
Environment	Sustainable Plantation

HANDLING & APPLICATION /

Plywood is a natural product that can be affected by changes in weather conditions: moisture and temperature. Temperature variation may cause internal stresses causing previously flat sheets to bow. Precautions are taken to minimize this effect. However, once the plywood has left our warehouse we cannot guarantee sheets to remain flat unless fastened. This is particularly important where free standing kitchen/cabinet doors are concerned. When storing panels, stack with enough support to prevent sagging. Cover the pallet to protect top and edges.
